GE
Lighting

GE Lighting helps light the world with lighting products and light bulbs for commercial and residential purposes.

Wiring and communication products, network cabling systems, cable and wiring accessories.

WIREMOLD

Wiremold wire and cable management for performance, flexibility and productivity.

Human Machine Interfaces (HMI) operator interfaces, industrial computers, flat panel monitors, rackmount computers, and HMI software.

SCHMERSAL
USA/Canada

Large range of safety switching appliances and systems for the protection of human life and machines.

Industrial motor controls, including NEMA sized enclosed starters to include both magnetic and combination starters.

COOPER Crouse-Hinds

Explosion proof electrical and instrumentation products for industrial and commercial environments.

Floor, wall, table, and ceiling boxes. Interfaces, distribution amplifiers, matrix & seamless switchers and CATx solutions.

LS Industrial Systems

New Name of **LG Industrial Systems**

Contactors, Relays, Starters, Circuit breakers

DISTRIBUTION
AND CONTROLS

Contactors, Limit switches, Pushbuttons, Relays, VFD's, Timers, Terminals, Circuit Breakers, Line Reactors, Load Centers, Panel Boards, Safety Switches, Switchgear, Transformers, UPS Systems

WIEGMANN

Enclosures, Wireways, Gutters: NEMA 1, 3R, 4, 4X; Steel, Stainless Steel, Non-metallic; Hinged, Screw Cover, Operator Enclosures

Professional grade tools for installing wire and cable.

Non-metallic enclosures, conduit and couplings

YASKAWA

Control and Automation products, ac drives and motion controls, adjustable frequency drives, servo amplifiers, servomotors, machine, and motion controllers.

Custom Panels & Switches, Fuses, Gas Discharge Tubes, LED Protectors, Protection Relays, ESD Suppressors, Shock Block GFCI's

3M

A wide range of connectors, tools, cable, terminations, fire protection products.

Wiring Devices, Lighting Controls, Energy Management, Network Solutions, Data Center Solutions

Large catalog of fittings, clamps, hangers, signaling products and hazardous location products.

FLUKE

Manufacturer and seller of world-class test and measurement equipment for over 60 years.

KLEIN TOOLS
For Professionals... Since 1857®

Tools and accessories, pliers, cable and bolt cutters, wire strippers, voice-data-video tools and testers, fish tapes, conduit benders, drill bits, insulated tools, gloves and other high-quality products.

Custom HID and LED lighting for commercial, industrial, emergency, roadway and other applications.

Digital Time Switches, Photocontrols, In-wall Timers, Plug-in Timers, Mechanical Time Switches, TorkAlert Signaling Devices, Occupancy Sensors

Electrical tools, wire connectors, testers, cable certifiers, electrical supplies, datacomm, testers, meters, imagers.

Southwire®

Manufacturer of residential, commercial, industrial utility electrical wire & cable in copper, aluminum, rod casting machinery & OEM products.

Weidmüller

Weidmüller provides solutions for electrical connectivity, transmission and conditioning of power, signals and data in industrial environments.

COOPER B-Line

Cabinets & enclosures, cable tray systems, data equipment supports, fasteners, fixtures, safety gratings & seismic bracing.
